

The Echelford Echo

Friday 6th October 2023

Weekly Issue Number 5

There have been a host of exciting visits and experiences taking place recently and on Wednesday it was Year 3's turn to enjoy a trip to Wisley which you can read more about below. The children in KS2 have also had the opportunity to enhance their learning about Road Safety with a visit from DHL and a very large HGV which was parked on our playground for the day. The remaining classes in KS2 will have the opportunity to experience this when DHL return on Wednesday: look out on Facebook next week to see some of the pictures from these visits.

Next week, we look forward to celebrating 'Feel Good Week' in school and sharing the variety of activities that will be taking place.

House competitions

We have kicked off our house competitions this year. Today was the culmination of our poetry competition for the children in KS2. Thank you to all the children who entered a poem into the competition and congratulations to Lyla (Air), Kareena (Fire) and Alazane & Liliana (Water) who wrote the three poems which successfully reached the final of the competition. The whole school had the opportunity to listen to the poems this morning in assembly and then vote for their favourite. There was lots of excitement as the winning poem from Lyla was announced as the winner. Meaning Air house were the overall winners for the competition.

Our House captains have been busy encouraging the children to walk to school this week. Children have earned tokens if they have walked, cycled, scooted or parked and walked. The house with the most tokens were Air: congratulations! Thank you to those who have participated and made changes to the way you travel to school. We hope that many children continue to enjoy traveling to school in this active way moving forward and enjoy the benefits for themselves and the school community.

Black History Month

In assembly on Monday, Mrs Bugembe introduced Black History Month to the children. This has been celebrated in October in the UK since 1987. This year, Black History Month will be dedicated to honouring the achievements of Black women who are often the forgotten heroes.

At Echelford, we feel strongly that Black History should be celebrated in all areas of the curriculum, throughout the year. Alongside our diverse curriculum, we will be carrying out further activities throughout the whole of October. Each class has been given a checklist and will collaboratively complete the tasks.

Black History Month

Class: _____

- ☐ Learn about a 'sister'
- ☐ Complete a piece of writing about a 'sister'
- ☐ Learn a song by a black artist
- ☐ Take part in a live event
- ☐ Hear a poem from another culture
- ☐ Read 3 stories from different cultures
- ☐ Create a piece of art inspired by a 'sister'

Parent Teacher Consultations

A reminder that these take place next week. If you haven't booked a slot yet you can still do so by logging into your Scopay account. If you can't remember the time you have booked, you can also view this when you log in to your account. Please make sure you check this to ensure you attend at the correct time and help the event run smoothly. The teaching staff are looking forward to spending the time with you to discuss how your child has settled into the school year.

Girls' Football Tournament

On Thursday, a group of Year 6 girls represented the Echelford Primary School at the Spelthorne Borough Tournament at Egham Leisure Centre. The team performed outstandingly and demonstrated great teamwork and respect for others throughout the afternoon. Out of 16 schools, they were winners of their groups and placed runners up overall as well as confirmation of their place in League 1 for this season. A special congratulations to Jazzlyn who was awarded a sportsmanship award. Well done to all.

Year 3 Wisley Trip

On Wednesday, Year 3 went on their first school trip of the academic year and had a fantastic time at Wisley Gardens. From exploring the grounds to attending a 'Fantastic Foods' workshop, the children were able to experience our 'Farm to Fork' topic in real life. The children particularly enjoyed planting their own sweet peas and visiting the allotments, spying plenty of pumpkins!

6J Class Assembly

In the jungle, the quiet jungle, 6J were performing their class assembly. As part of Feel Good Week, they had the incredible opportunity to retell the heart-warming story of "The Selfish Crocodile". This tale, filled with valuable lessons, brought smiles to everyone's faces and reminded us of the importance of kindness and understanding. 6J then shared some ways they can spread kindness. Well done 6J - it was a great performance!

Email Communication

It has been brought to our attention that some email communications are being sent into junk folders. Please check your junk folders in case this is happening and if so, please mark the emails as being from a trusted source. If you are not receiving any emails from us then you may have unsubscribed from SCOPAY so please log in and subscribe in order for you to receive all the relevant information we share.

Time to Talk

In the news this week

The 2024 edition of the Guinness World Records has been released. This year, over 30,000 applicants submitted their achievements, but only 2,638 records were selected for the edition, which features more than 80% new and updated records. The annual collection of records has run since 1955, when it was first inspired by the question 'What's the fastest game bird in Europe?'. Its latest edition is themed around the Blue Planet, with a number of records celebrated, including those set by impressive marine creatures, adventurous sailors and record-breaking lakes, rivers and icescapes.

Things to talk about at home ...

- > Do you know any world records?
- > If you were to attempt a world record, what do you think you would try to do and why?
- > What do you think the benefits would be of setting or breaking a world record?

Please note any interesting thoughts or comments

Vacancy Within the Trust

Darley Dene School is recruiting: Are you ambitious and keen to make a difference? We are seeking to appoint a highly enthusiastic, proactive, flexible and reliable individual for the role of Teaching Assistant. This is an opportunity for an individual who is patient and emotionally resilient to join our friendly, inclusive and inspirational team of teaching and support staff. For more information please visit: <https://www.eteach.com/job/teaching-assistant-1369455>

Best wishes,

Karen Oakley
Co-Headteacher

Jess Bugembe
Co-Headteacher

This week, the winning classes are:

Winning Class – 3BT

Winning Class – 1A

Word of the week

Each week, we will be sharing a word of the week. Please use this word with your child where possible, and encourage them to use it at home and school.

sacrifice (noun)

Meaning: an act of giving up something valued for the sake of something else

Example: "If I want to eat pizza, I might have to sacrifice having ice cream afterwards."

Origin: from Latin sacer 'holy'

This week we have been learning...

Reception	<p>This week in Reception we received a letter from Daisy the Dinosaur. The children were excited to write back and told them all about their time at school. They used their sounds to create new words and worked hard on their letter formation. In maths, we have continued to work on numbers 1-5. The children have been recognising which amount has the most and used the sentence 3 is bigger than 2. They have loved visiting the library this week and enjoyed reading new stories.</p> <p>Phonics: g, o, c, k Spelling words: got, dog, cot, sock</p>
Year 1	<p>This week in Year One, we have become fully immersed in our new non-fiction text 'Look Inside Your Body'. In our Literacy lessons, the children have created their very own non-fiction booklet telling readers all about facts linking to the heart, lungs and eyes. We had a special visit from Mr Taylor who shared his X-ray pictures and spoke to the children all about his job. In Science, we explored what our senses do and had a practical activity involving taste testing, feel boxes and smell pots.</p> <p>Phonics: ay (play) ow (down), ea (bead) Tricky words: all, are, I, of, one, here, today</p>
Year 2	<p>This week we have been adding and subtracting numbers using our known facts to help us. We have continued our learning about rainforests and have created poems in pairs about the rainforest. We have also learned about the different layers of a rainforest. Next week we will be creating poems about the Savannah. In Art we have created leaf rubbing pictures and in Computing we have continued our learning about algorithms and have created codes in Scratch Jr.</p> <p>Phonics: /or/: augh (daughter), our (pour), oar, ore (more) Reviewing sounds: ce, se, ze, le, al, gn, kn, mb, dge, ge, g</p>
Year 3	<p>With the excitement for our Wisley Gardens trip, the children used their Literacy lessons to write interesting questions about what they would like to find out on the day and also a recount of their trip. We had a brilliant experience and this has been excellently showcased in our writing. In Maths, the children have been rounding to the nearest ten or hundred and adding ten or hundred to a number. In Geography, we have explored how Britain uses our land and different urban/rural spaces.</p> <p>Spellings: Words with the 'sure' sound e.g. pleasure, treasure, leisure.</p>
Year 4	<p>We are coming to the most dramatic moment in our story of The Iron Man, and are looking forward to creating vidi battle scenes in our writing next week. We have completed our unit of work on column addition and subtraction, and are happy to practise this with adults at home. In preparation for our DT project, please could you send in any empty cereal boxes for our construction task.</p> <p>Spellings: In Ir Im For example: Invalid, Irreplaceable, Impossible</p>
Year 5	<p>This week, Year 5 have been writing stories from the perspective of Neil Armstrong, and considering what he would have felt and seen when embarking on the Apollo 11 mission. The children have been working hard learning how to punctuate speech, and thinking about how we can seamlessly incorporate dialogue into our story writing. In Maths, we have been exploring different column and subtraction strategies, and considering how to tackle multi-step problems. In Science, we have been learning about the eight planets in our Solar System, and researching their features.</p> <p>Spellings: Words with the suffix -cial: special, artificial, facial, especially, glacial, crucial, official, multiracial, beneficial, judicial.</p>

Year 6	<p>This week, Year 6 showed determination and resilience during their first assessment week of the year! All of the children should be incredibly proud of what they have achieved. In History, we continued to explore and discuss life in Britain during WWII, specifically the implementation of rationing, leading to a debate as to whether or not rationing would be beneficial during times of crisis today. In Science, we explored the components of a series circuit and predicted what would make a complete and successful circuit.</p> <p>Spellings: For example: We revised our Year 5 and 6 spelling words.</p>
--------	---

ACE Awards

Congratulations to the following children who have received this week's ACE Award.

Class	Name	Awarded
RD	Ayda	Using the sounds she has been learning in phonics to help her write an amazing letter to a dinosaur.
RG	Jimmy	For using all of his sounds to write a letter this week.
RL	Joshua	For consistently making green choices.
1A	Arjun	For a very creative artwork of Rosa Parks!
1C	Lennon	For his fantastic artistic skills this week using oil pastels to create a portrait of Frida Kahlo.
1H	Helina	For demonstrating excellent listening skills and being such a positive role model to all.
2B	Jake	For sharing his ideas on the carpet, particularly when finding adjectives within Literacy this week.
2K	Jason	For his brilliant participation in class and always doing his best in our lessons.
2W	Jenson	For his fantastic engagement in all our learning and always putting up his hand to share his ideas.
3BT	Iyla-Rose	For amazing effort in all of her learning and asking for help when she needs it.
3H	James	For his outstanding behaviour on our school trip to Wisley, where he set a fantastic example of making green choices.
3S	Daniel K	For using all the resources available to him in Literacy to recount our recent trip to Wisley Gardens.
4LJ	Vivian	for his focus and hardworking attitude across all lessons this week
4M	Lian	For her hard work and determination in her learning and for consistently making green choices.
4S	Paige	For her enthusiasm when practising our class assembly
5B	Elizabeth	For her wonderful language in her poetry and setting descriptions.
5G	Kian	For his positive attitude during learning and for consistently making green choices.
5W	Lyla	For aiming high in all of her learning and consistently making green choices.
6H	Jazzlyn	For her positive attitude to learning and aiming high during our first assessment week.
6J	Kareena	For the amazing effort she has applied to all of her learning this week
6W	Lilly	For showing resilience and determination during our first assessment week.

Gold Leaf Achievers

Special congratulations to: Octavia B, Elijah B, Madeline B, Amber S, Eloise D, Muhammad A, Luna H, Davina B, Deyal K, Amaya C, Aahana S, Evie S, Jian S, Isaac P, Holly T, Irha K, Effie A, Hugo G, Kanan A, Jessica J, Leah A, Willow B, Ibrahim Y, Logan P, Rory L, Rocco L, Amelia D, Sienna S, Ethan H, Amber J, Jaxon B, Owen J, Grace E, Jaap K, William-James G, Poppy R, Saoirse M, Robert A, Adam T, Rayan M, Zunairah A, Maaria K, Nina P, Daniel K, Amaani A, Musa M, Max K, Isabella H, Liliana, Idris, Darcie G, Lily-Mae W, Mannat K, Lily Wh, Max O, Preston H, Holly N, Samara O, Freddie Bo, Ranjot D, Elisa A, Marilou A, Ayoub M, Rajneet B, Daniel I, Niharika J, Eddie C, Riley B, Darcie G, William C, Misha M, Bonham J, Damian T, Jaya S, Millie W, Madison-Mae O, Georgie B, Bachir B, Ethan M, Yacine S, Josiah P, Freddie S, Mitansh V, Lucas S, Deben G, Shrey M, Sameeran K, Diya V, Sienna L, Willow C, Lola B, Abigail P, Hannah C, Evelina I, Paige T, Nysha S, Bradley W, Leonard R, Jenson W, Kaira G, Maxwell T, William G, Elia D, Kornel P, Zoe W, Juno M, Sydney M, Jamie T, Amber P, Arifah R, Lily C, Chloe P, Lucy B and Logan M.

Achievements outside of school

If your child would like to celebrate success within the school community, please inform your class teacher or the office staff of your news. Along with the Newsletter, we will display any sports achievement photos and information on our 'Sports Shout Outs' board in the gym.

Congratulations to Amber in 2B who has moved up a stage in swimming. Well done Amber.
