Dear Parent,

As children become older some parents feel it is suitable for their child to walk home from school without being accompanied by an adult. Please be aware that we are unable to release a child from the playground unsupervised unless we have received written permission from a parent confirming their consent.

We would be most grateful if you can complete and return the slip below if you wish for your child to walk home unsupervised. We would respectfully ask parents to discuss with their child the importance of behaving in a mature and considerate manner when walking home as well as how to keep safe while unsupervised.

Yours sincerely,

Miss Oakley
Deputy Headteacher

For the attention of the school office,

I give permission for my son/daughter to walk home from school each day unless I otherwise inform the office.

I understand that students that are walking home are expected to leave immediately at the end of the school day.

I understand that Echelford Primary School is no longer responsible for my child once they have left the school grounds and I take full responsibility and liability for my child(ren)'s safety, wellbeing and behaviour from that point.
