The Echelford Echo

Over the past couple of weeks, the children have spent time thinking about remembrance. This was introduced in Mrs Smith's Phase Assemblies where we looked at how important it is to remember those who show courage and bravery in their service roles. We looked at diverse heroes, including a volunteer nurse who worked in the Nightingale hospital during the COVID pandemic and a RAF pilot who followed his dreams of becoming a fighter pilot, despite people telling him 'black people don't do that.' On Wednesday, 5W presented a wonderful class assembly to their parents and carers based on Remembrance Day and how we can solve our own conflicts by talking to each other. Today, the whole school joined together for our Remembrance assembly, where the children sang the song 'Remember', some year 5 children shared their poems and we reflected on those who have shown courage and bravery in the past and those who continue to do so in conflicts around the world today.

During the week we have had various Remembrance items for sale and we would just like to say a huge thank you to those who donated some money, and to the Year 6 children who took the poppies around the classes. We have now completely run out so thank you once again for such an amazing fund-raising effort.

Later today, we will welcome back our Year 6 pupils from their Bristol residential. They have had a brilliant week and we look forward to sharing more information about their adventures in our newsletter next week. We would also like to thank all the staff who have accompanied the children this week, without their willingness to give up their own time these trips would not be possible.

The year 6 children who have been in school this week have also had an excellent week together. The staff supporting them have been very impressed with their team work, engagement and learning throughout the week.

Staff News

This week we welcomed Miss Ragavi to our teaching assistant team. Miss Ragavi will be supporting children and working across year 3 and year 5.

Parent Governor Role

A reminder that we currently have a parent governor vacancy on our Local Governing Body. Attached to the newsletter this week you will find some extra information which outlines more details regarding the expectations of the role. There is also a letter detailing the process for nominating yourself, any nominations need to be received by Friday 17th November. If you are keen to see the school develop and contribute to the local community we would love to receive your nomination.

Road Safety Update

You will be aware that we have been continuing to work with Surrey County Council to improve the safety for our children and families outside of school in the mornings and at the end of the day. They have agreed to fund a school crossing patrol officer and we are currently advertising for this role. If you know of anyone that this role would suit then please direct them to apply to our advert on eteach.

This morning we heard from the Road Safety & Schools Active Travel Engineer at Surrey who has confirmed that following our application, funding has been authorised to extend the yellow zig zag lines to cover the front of the KS2 gates where the majority of our children enter and exit the school site. We expect this work to be done early 2024. Along with your help to ensure you are driving and parking safely both of these advances will help hugely to improve the safety outside our school.

Weekly Issue Number 9

Year 4 - Safari Pete

We were delighted to welcome back Safari Pete to school once again last week. As ever, he brought with him exotic animals, a huge number of facts and an enormous amount of energy. The children were all mesmerised as he fed the bearded dragons, hunted tarantulas in the Music Room and saw a snake have quite a considerable lunch - in one bite! As ever, Safari Pete gave his talks with passion and a rich amount of detail, explaining the rarity of certain species, and using technical terms, which the children adored.

On his departure, he commented on how many questions the children at Echelford asked, which was wonderful to hear! Many thanks to all parents for supporting this event, a highlight in our calendar!

Year 2 – Polar Day

This week, Year 2 participated in a drama workshop about the world's polar regions. We went on a journey to the Arctic, starting by packing our bags with essential items for the journey and thinking about how we would travel there. We explored the different animals we would find there such as a polar bear or a stout and discussed the things we would see such as the Northern Lights. After

considering how the Arctic changes throughout the year, we left there in the summer and travelled to Antarctica where it was winter. Here we acted out a day in the life of a penguin and considered the soundscape of Antarctica.

Girls' LLT Football Tournament

Last Friday, we welcomed all of the Lumen Learning Trust Schools to Echelford for a Girls' Football tournament. All of the different schools had the opportunity to meet and compete in the group stages. After the scores were collated, Echelford had the most points after winning all of their games and went into the play-off final with Riverbridge Primary School. Due to Echelford's teamwork and perseverance, they won the entire

tournament and all received a medal for this achievement. A special well done to Leni for gaining an additional award for her sportsmanship throughout the afternoon, recognised by the staff from the other trust schools. Well done to the entire team; we are all extremely proud of you.

Parent help needed

In their Religion and World Views lessons this half term, Year 2 are learning about the importance of giving for Christians. We would like to invite a parent into school who would be able to talk to Year 2 from personal experience about how Christians give in their Church community and what difference this makes to other people. If you would like to come into school and speak to the Year 2 children about this, please contact the office. Thank you from the Year 2 team.

Geography Bee

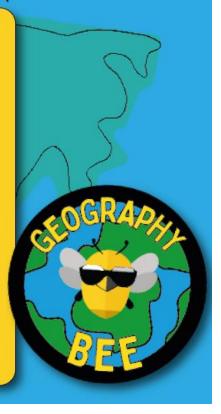

A reminder that our Geography Bee starts next week! Have a go at learning the pairs of countries and cities with your children this weekend. Every child who enters the class competition will win a badge. The Round One list is attached below.

Time To Talk

In the news this week

A study, conducted by the government and backed by the Money and Pensions Service, has estimated that around 5.4 million children in the UK do not have the money skills they will need in adulthood. Less than half of children and teenagers aged 7 to 17 have received a meaningful financial education, according to the results. It also found that a third of children recall learning about money in school and finding it useful, and nearly a quarter received key elements of financial education at home.

Things to talk about at home ...

- What is your first memory of money?
- Share your own experiences of money.
- > What do you think is the best way to learn about money and why?

Please note any interesting thoughts or comments

Word of the week

Each week, we will be sharing a word of the week. Please use this word with your child where possible, and encourage them to use it at home and school.

determined (adjective)

Meaning: possessing or displaying resolve Example: "He was determined to reach the top." Origin: from Old French *determiner*, from Latin *determinare* 'limit, fix', from *de*-'completely' + *terminare* 'terminate'.

This week we have been learning...

	the nuve been lear ming	
Reception	We have been reading the story 'My Granny Went to the Market' where we explored a vast range of exciting different countries. We even went on our very own magic carpet ride and have been writing all about the wonderful things we have seen. We've explored the country of Thailand and learnt all about their beautiful culture and landscape. In maths, we've been thinking all about the different seasons and how we can identify which one we are in now. We've also taken time to explore the importance of Remembrance Day and Diwali! Phonics: • V,w,x,y • And, has, his, her	
Year 1	As we continue to read our text 'The Secret Sky Garden', the children have been introduced to instruction writing. The children reflected on where they have used and seen instructions before. The children used time connectives to up-level their sentences. In Maths, the children created their own patterns with different colours and shapes. In our RaWV lesson, we bought pictures of our families and talked about them. We have also taken time to reflect on this week's Diwali celebrations and Remembrance Sunday.	

	Phonics: • oa/o; most,post,open • igh/i; child, wild, kind • ai/a; paper, later, chasing • ee/e; fever, secret, being Tricky words: • Your, people, their, oh, Mr, Mrs, Ms, ask
Year 2	We have been introduced to our new text, 'Leaf'. We predicted what might happen in the story and have learnt about expanded noun phrases in order to make our writing more descriptive. We have taken time to reflect on Diwali and what this means to some of the children in our classes. We created some nature firework sticks to remind us that Diwali is the 'Festival of Light'. We have continued to develop our gymnastics skills within P.E. and have been progressing with our forward rolls. In Maths, we have been measuring and comparing lengths and using our rulers to create a line of a specific length. Bridge to Spelling: Double letters ff, ll, ss, zz protect the short vowel sounds in one-syllable words. E.g. mess, will, buzz, stiff.
Year 3	As we continue to read 'Krindlekrax', the children have been introduced to new characters in our story and with this created their own role play sequences based on a conversation between Ruskin and his parents or Ruskin and the bully, Elvis. This inspired our story writing where the children were encouraged to use direct speech with inverted commas. In Maths, we have looked at different strategies to add or take away 2 digit numbers from 3 digit numbers and in Science, we explored how smooth and shiny surfaces are best to reflect light. We have also taken time to reflect on this week's Diwali celebrations and Remembrance Sunday. Spellings: Words with the prefix 'dis' e.g. disappear, disengage, disapprove and dislike.
Year 4	This week in Year 4, we have been continuing to read 'Varjak Paw' We have linked this to our History topic of Mesopotamia as the main character Varjak is a Mesopotamian blue kitten. We have learnt all about Mesopotamia from where it got its name, where it was located and what life would have been like there. In Science, we have started looking at animals including teeth and have been able to discover the roles each of our different teeth have. In Maths, we have been consolidating our multiplication knowledge and have been using short multiplication and division to solve word problems. Spellings: To spell words that are homophones or near homophones. For example, plane and plain.
Year 5	This week, we have been continuing to explore 'Floodland', our new Power of Reading text. Now that we have been introduced to a number of our main characters, the children have been writing diary entries from the protagonist's perspective, making sure to summarise what has happened in the story at the point they are writing. In Maths, we have been solidifying our understanding of prime numbers, factors, multiples and square numbers, and learning how to identify these. Our Art this term focuses on an artist called Katsushika Hokusai, and his painting 'The Great Wave Off Kanagawa'. The children have been considering the impact that plastic waste has on the ocean, and how we can represent this in our final art piece later in the term. Spellings: We have been revising the following challenge words - language, vegetable, thorough, appreciate, cemetery, conscious, convenience, environment, immediately, sufficient.
Year 6	This week, the Year 6 children who remained at Echelford have been busy researching the local area of Ashford and creating eye-catching posters to promote the town. On Tuesday, the children had the opportunity to enjoy an afternoon of Forest School, where they learnt to light a fire using a flint & steel and even toasted their own marshmallows. In French, the children took part in an exciting treasure hunt and worked collaboratively to solve the clues. It certainly tested their knowledge of the French language! We have had a great week together and are looking forward to welcoming back all the Year 6 children from their residential trip to Bristol and share stories of our different weeks.

Achievements outside of school

If your child would like to celebrate success within the school community, please inform your class teacher or the office staff of your news. Along with the Newsletter, we will display any sports achievement photos and information on our 'Sports Shout Outs' board in the gym.

Well done to Lily-Mae in 5B who gave up some of her free time to sell poppies in Ashford High Street last weekend with her Brownie group.

> Congratulations to Florence in RO who won the Star Pupil Award at her Choi Kwang Do Martial Arts class for making an excellent start to her first pattern and single technique. Florence has only recently started Choi Kwang Do and this is a huge achievement for Florence as she was on chemotherapy treatment for years and wasn't able to walk. She is really proud of herself and so are her family and all of us at Echelford. Well done Florence on this amazing achievement.

Well done to Rajveer in 5G who has been selected to play cricket for the under 10 age group team at Surrey County Cricket Club. He has been chosen through their Talent Pathways Programme. He and his family are very excited that he will be able to play cricket in the Summer of 2024 for the county in the U10 Team. Congratulations Rajveer on this amazing achievement.
