

The Echelford Primary School

**Wraparound Care
Information Booklet and
Terms & Conditions**
Revised September 2023

Our Vision

The Echelford Primary School puts the children's needs at the heart of its provision. Our whole school community is committed to enabling the children to become successful lifelong learners and happy, fulfilled adults who can make positive choices about their future.

Introduction

Our Wraparound Care is run mainly by Echelford staff who also have roles in school during the day. In this way we are able to offer a consistency and continuity of provision as the staff and children know each other well and share the same expectations as are enjoyed during the school day.

Children can join in with the planned activities or take time to do their home learning. Many children enjoy playing in one of the activity areas, examples of which are:

- iPad zone where the children use an iPad to help with their home learning or a planned IT activity.
- sport related activity which will be held in the school gym or on the playground.

Alternatively children may prefer to have some quiet time playing with the range of games and toys available.

These options are very popular therefore places must be booked in advance to ensure we have the correct staffing levels to enable us to fulfil our safeguarding expectations.

Parents wishing to use or carry on using the Before and After School Care are asked to carefully read the information and terms and conditions in this booklet. Your agreement to this must then be given via the Wraparound Care Agreement on our website prior to a booking being made.

Echelford Primary School is committed to Safeguarding and promoting the welfare of children. To achieve our commitment we will ensure continuous improvement and development of robust Safeguarding processes and procedures that promote a culture of Safeguarding amongst our staff and volunteers.

ACCIDENTS AND FIRST AID

Every precaution is taken to ensure the safety of the children. If your child has a minor injury whilst in our care first aid will be carried out.

A trained First Aider will always be present.

VALUABLES

We ask that children do not bring their own toys into school as we have a large number of toys / games and so don't want anyone to lose their personal items.

BEHAVIOUR

Staff will encourage the children to respect themselves and others in a relaxed friendly environment with clear expectations and boundaries. We use the Stay On Green approach for behaviour that is used throughout the school.

The school reserves the right not to offer a place to children if their behaviour places other children or adults at risk.

STAY ON GREEN

All the children have the opportunity to make positive choices about their behaviour and influence outcomes at Before / After School Care.

The children who regularly follow the rules at Before / After School Care are noticed and rewarded.

Before / After School Care follow a consistent system which is used throughout the children's school day.

The system promotes a less intrusive approach to the management of behaviour and the children are able to achieve rewards which will go towards their whole class reward system.

Before / After School Care will implement the same consequences that are used within the main school. This includes the coloured warning system of blue, yellow and red for reflection time.

Further information can be found on our school website.

PARENTAL CONDUCT

The Home School Agreement and Family Handbook also applies to the provision at Before / After School Care.

For our Home School Agreement to work and help to ensure the best outcomes for our children, everybody needs to respect the professional relationships required in schools.

Our staff work to the highest expectations of professional conduct and are held to account should their behaviour fall short of our expectations.

We therefore ask that all parents frame questions and concerns in a calm and respectful manner to prevent parental behaviour becoming an issue in itself.

THE PUPIL SCHOOL AGREEMENT

The School agrees to:

Provide a safe, stimulating and caring environment where children and parents are valued.

Notify a parent / carer if your child is showing signs of being unwell, making every attempt to contact one of the people on our contact list.

Use the Stay On Green approach for behaviour.

Ensure that all children are supervised at all times during club opening hours and the full duration of their stay.

Pupil's attending must agree to:

Be kind to others and share the toys and games.

Always treat the toys and equipment with respect.

Tell an adult if I have a problem.

Try to keep the promises I make in the school code of behaviour.

Respect myself, all staff and other children and behave sensibly at all times.

Before and After School Care is part of Echelford Primary School governed by the school's local governing body.

Please be aware that we reserve the right to refuse access to this facility for any parent who refuses to abide by the procedures and protocols in place to ensure the safety and welfare of our children.
