Weekly Issue Number 11

School Values

Earlier this year, we introduced our new school values which have been created by pupils and staff. We are now pleased to share visual images of our values which will begin to be displayed around school.

These will be shared and discussed with the children in our Monday morning assemblies over the coming weeks and all of the children are discussing these further in their classes to create short explanation paragraphs with examples of how each value might be demonstrated.

This week, Mrs Bugembe introduced the 'G' and 'R' of the green values and here are some of the ideas that the children came up with in their class's discussions:

"G means we are working together as an Echelford family to be the best we can" **RG**

"We learn together and show good teamwork. We share. We should be kind to Echelford. If someone is stuck we can give them a hand. We make sure to help others. We remember to include everyone in what we are doing. Making progress in our learning and moving up through school. The whole world is learning" **3S**

"We think growing together as a community means making our community bigger and growing it to make sure everyone is included and represented. We can share different ideas which are celebrated by everyone. We get better at things by working together" **5W**

"Treating people and things in our school the right way. Caring and playing with others and making new friends." **2W**

"It is important to respect everyone and everything so we can do our best learning. Everyone has the right to learn." **4LJ**

"Respecting everyone no matter who they are and helping others when in need. School property, from a chess piece to a gate, needs to be respected as this helps us grow and learn. Sharing resources so everyone has the opportunity to learn." **Yr 6**

Parent Governor

We are pleased to share with you that Christopher McAllan will be the new parent governor. Chris is a parent to children in Year 1 and Year 3. His experience as a teacher and more recently in finance and premises with Hounslow schools will bring a strong skill set to our governing body and we look forward to working with him in his new role as a governor.

Times Tables Rock Stars

The Year 5 children have been taking part in a very exciting TTRS battle this week. Throughout the week, Echelford classes have been climbing the leader board and the results are now in. Well done 5B who made it to 3rd position and to all Year 5 children who have been working hard this week.

A special well done to Ilyas R, Ilyas K, Alazne P and Daniel I who have made it to the top spots across all schools.

Year 5 River Walk

This week, as part of our rivers topic, Year 5 have had a wonderful time visiting Penton Hook Lock and walking along the river. We were able to see a range of human and physical features and consolidate the knowledge taught during our Geography sessions. We investigated the course of the river, erosion, the flow of the river and many of its features (such as floodplains, deposits, pollution, sediments, meandering, tributaries and oxbows). The children modelled green choices throughout, were respectful towards pedestrians and asked brilliant questions.

Festive Events

Next week, the first of our festive events will be taking place. Our Reception children will be sharing their nativity with their parents and carers and are very excited to perform. A reminder to please contact the school office if you have not already booked a place.

Mufti Day

Next Friday 1st December will be Mufti Day. In exchange for your child wearing mufti, please can all Reception/ KS1 children bring in a bottle. This can be something like a drink or shampoo. Can all KS2 children please bring in chocolates. These will be used as prizes at the PTFA Christmas Fair on the 8th December. Please ensure all bottles and chocolates are both in date and sealed. Also, please note children are not permitted to wear football kits or crop tops and only sensible shoes with a strap should be worn. Children must also bring a coat to school or they may not be able to go outside at playtime or lunch time.

Echelford's Santa Fun Run

This time next week, we will be kicking off the festive period with Echelford's Santa Fun Run. On Friday 1st December, 3:30-4:15pm, to bring us together, we will start the countdown to Christmas with some festive fitness. This event is for everyone and is free for all participants. While you walk, skip or jog, you can enjoy some joyous music and festive treats. There will be a range of refreshments and Christmas accessories on offer for you, provided by the PTFA, to also purchase on the day. In preparation for the event, the children have been improving their stamina in school, through small pockets of walking, jogging and running being added to their daily routine. We do hope you are as excited as we are and come and join in with this fun, feel-good event. On the day, normal dismissal procedures will be followed. **Entry** to the start is via the KS1 playground and then onto the field. **Exit** via KS1 playground/gates. Trainers advised; festive accessories are optional. If you have any questions, please ask your class teacher.

EYFS and KS1 Nativity DVD or Digital Link

We are thrilled to announce the opportunity for you to capture and relive the magic of our EYFS and KS1 Nativity experiences! Our exclusive recording of the heart-warming performances of our EYFS and KS1 children is now available for purchase on DVD (£10) or as a convenient digital link (£8). The recordings will be sent home with your child (DVD) or emailed directly to you (digital link) before the end of the Autumn Term. Follow the link below or scan the QR code to purchase your copy!

Nut Free School

We would like to remind you that Echelford is a nut free school. Please do not give your child any food that contains nuts. This includes Nutella, pesto, cereal bars, peanut butter, chicken satay etc. If you are unsure, we would be grateful if you could check the ingredients before you pack their lunches and snacks.

Healthy Snack for Break Time

All children are welcome to bring a healthy snack to school to eat during their break time. These should be in as little packaging as possible because we're also keen to reduce our use of plastics (e.g. no bear yoyos or fruit winders).

These snacks are limited to:

- Fresh Fruit
- Fresh Vegetables
- Dried Fruit
- Plain rice cakes
- Bread sticks
- Yoghurt tube
- Plain crackers
- Pitta bread or Wraps (with no filling)

If children come into school with something that is not on the list, it will be sent back home. No cutlery should be brought in. A reminder that only Reception and Key Stage 1 children are provided daily fruit or vegetables as part of the Government scheme.

DONATIONS WANTED!

*Are you looking to clear some space in time
for Christmas?*

*Echelford are looking for the following
items to support our play at lunchtimes:*

- Dressing up clothes
- Dolls and dolls clothes
- Puzzles or games

Any donations please leave at the
school office

Geography Bee Update

With a few more class heats, we have had an incredible 240 children participate in the Geography Bee. As we head toward the finals, please find List 3 below. Mr Lockyer is busy making the badges for every participant, and these should be delivered to classes in the next week or so. Well done, everyone!

Word of the week

Each week, we will be sharing a word of the week. Please use this word with your child where possible, and encourage them to use it at home and school.

guarantee (verb)

Meaning: provide a formal assurance

Example: "I guarantee you will like this."

Origin: Middle English (in the senses 'protector' and 'safeguard', also, as a verb, 'keep safe from danger'): from variants of Old French guarant (noun), garantir (verb)

This week we have been learning...

Reception	<p>This week we have been exploring letter writing through our story of the Jolly Postman. We've been practising our prediction strategies and story ordering and have even practised writing our very own letters to the Jolly Postman inviting him to visit our school! We've also been looking at world explorers and have focused on Nirmal Purja who climbed the 14 of the highest mountains in the world! We've been investigating part-part-wholes and found that these models can be found all around in the world around us, from our bodies, our faces, pens and pen lids and puzzle pieces!</p> <p>Phonics: sh, th, ng, nk spelling words: fix, fill, jam, leg, bell, dad, mess, bag, wet, duck</p>
Year 1	<p>This week we have been practising our songs and actions for our Christmas show. We are very excited to show you soon! We finished reading our book 'The Secret Sky Garden' and we wrote a book review about it. In maths we have been making number lines using numbers 1- 20. In science we have been testing how we can change different materials by squashing, twisting, stretching and bending. We have also started to learn how to type on a keyboard in computing, starting with our own names.</p> <p>Phonics: e_e (ee), ew (yoo/ oo), ie (ee), aw (or), Tricky words: house, mouse, water, want</p>
Year 2	<p>This week we have been extending our knowledge of Antarctica and The Arctic to understand Climate Change and how it is affecting our planet. In Literacy we have been writing a letter of concern to our local MP Kwasi Kwarteng that explains what we feel he should be doing to help the local environment. The children came up with ideas such as more bus routes to reduce people driving their own cars, more charging points for electric cars and planting more trees around Heathrow. Mrs Barber has posted them and we will await a response.</p> <p>Bridge to Spelling: This week we have looked at the different ways to spell 'c' and that after a short vowel sound there is usually 'ck'. For example shock, quick, crack and check.</p>
Year 3	<p>Year 3 took a deep dive into the world of crocodiles this week! The children spent time in Literacy researching them on the iPads and in books and have then written detailed fact files with headings and subheadings. The children then presented these to each other to practise their oracy skills. In Maths, we have been looking at column subtraction to take 3 digit numbers away from 3 digit numbers. In PSHE, we looked at how to deal with conflict with our family and friends effectively using the 'solve it</p>

	<p>together' technique. There has been lots of beautiful singing as we rehearse our songs for the Christmas concert.</p> <p>Spellings: To spell words where '-ing', '-er' and '-ed' are added to multisyllabic words. For example: covered, listening, gardener.</p>
Year 4	<p>This week, Year 4 have been continuing to explore their Power of Reading book Varjak Paw and have been writing narratives based on Varjak's experience in the outside world and the things he might come across. They have been ensuring that they include pronouns in their writing to avoid repetition. In maths, we have finished our unit of discrete data and have been learning how to interpret and construct time graphs. In History, we have discovered artefacts that were believed to be from Ancient Mesopotamia and thought about how they might have been used in that time period.</p> <p>Spellings: Pronouns : he, him, his, her, she, they, them, man, woman, women</p>
Year 5	<p>This week, Year 5 have enjoyed writing speeches from the perspective of Dooby, considering the different features that powerful and effective speeches have so that they can implement these into their writing. In Maths, we have been solidifying our understanding of short and long multiplication, and are beginning to delve into short division. Year 5 have also really enjoyed going on their river walks this week, and also completing presentations about different rivers around the world.</p> <p>Spellings: Words with the ending -ance or -ancy: abundancy, dominancy, brilliance, vacancy, elegance, hesitancy, relevancy, abundance, tolerance, extravagance.</p>
Year 6	<p>This week, in Maths, Year 6 have developed their knowledge of 'angles' and being able to use their known facts in supporting them in problem solving and reasoning. In Music, we listen to and explored a range of musical accompaniments from 'The Beatles' and 'The Isley Brothers'; drawing up our own comparisons using musical elements to develop our explanations. Singing rehearsals have also been underway for our Christmas Concert.</p> <p>Spellings: Words with the prefix: '-dis', '-un', '-over' and '-im'. For example: dissatisfied, unnatural, overreact, impatient.</p>

MEASLES

Don't let your child catch it

— get them vaccinated with the MMR vaccine

- measles outbreaks happen when not enough children have been vaccinated
- measles can be a very serious disease, leading to ear and chest infections, fits, diarrhoea, and damage to the brain. Measles can kill
- your child is at risk of measles if he or she hasn't had the MMR vaccination
- 2 doses of MMR vaccine are needed to get the best protection
- if your child is due to have had 2 doses of MMR but has not yet received them, no matter what age they are, you should contact your GP to get them vaccinated as soon as possible*
- if you can't remember if your child has had any, 1 or 2 doses of MMR vaccine, check his or her personal child health record (the Red Book). If this doesn't help, speak to your GP
- if you don't know how many doses your child has had, it's better to have 2 doses of MMR vaccine now rather than risk leaving them unprotected

*In response to a local outbreak then the 2 doses can be given one month apart from the age of 18 months.

the safest way to protect your child

Some common questions about measles and the MMR vaccine are listed on the back of this leaflet

Answers to some common questions about measles and the MMR vaccine

Why are we seeing these outbreaks of measles?

Measles is a highly infectious disease, spreading quickly from person to person, especially in schools. A child with measles will infect almost all unprotected children they have contact with. Since the end of 2017 there has been an increase in measles globally which has affected the UK. This has resulted in some spread into wider communities, in particular in undervaccinated groups.

When are the MMR vaccinations usually given?

The best times are between 12 and 13 months of age and again at 3 years and 4 months, with one dose on each occasion. But, if your child wasn't vaccinated then, they can be vaccinated at any age with 2 doses one month apart.

Will there be any side effects to the vaccination?

Your child may get the symptoms of measles, mumps and rubella for up to 6 weeks after the vaccination but in a very much milder form. This proves that the vaccine is working and your child is building up resistance to future contact with the viruses that cause the 3 diseases. Not all children show these symptoms but that doesn't mean the vaccine isn't working.

Should parents in outbreak areas get vaccinated against measles?

As with many diseases, once you have had measles, you don't catch it again because you have built up a natural resistance to it. So, if you've had measles or 2 doses of MMR vaccine you do not need to get vaccinated now.

Surrey County Council encourages residents to offer Supported Lodgings/foster

Supported Lodgings, and Fostering are both incredibly rewarding experiences that can transform the lives of both the children/young people being supported and the carers' themselves. Children and young people who enter the care system have often experienced trauma and instability in their lives, and a stable and supportive carer family can make a significant difference in their wellbeing and development. Nationally, there are currently over 70,000 children living with carer families in the UK. However, there is still a significant shortage of Supported Lodgings and foster carers, with around 9,265 new carer families needed in the next year alone. In Surrey, there are over 1,000 children in care and Surrey County Council have just under 400 carer families.

Supported Lodgings is targeted at young adults aged 16-21 to help them build their independence skills ready to live independently in the future, from the security of a caring, stable home environment.

Supported Lodgings Carers and Foster carers come from all walks of life and backgrounds, and there is no one-size-fits-all approach to caring. Whether you are single or married, young or old, own your own home or rent, you can still become a carer. The most important thing is a willingness to provide a safe and loving home for a child in need.

This is the message that Surrey County Council is promoting in national recruitment film 'Any of Us'. The short film has been jointly funded by over 80 councils across England and aims to raise awareness about fostering, particularly among those people who may not have previously considered themselves suited to caring for vulnerable children and young people. The film looks at the potential of three people from different backgrounds to become carers, and the potential of children they care for to grow and thrive. 'Any of Us' is available to watch from the 26th September. If you have ever thought about fostering, or offering Supported Lodgings, now is the time to take that first step and find out more. The more people who consider caring, the greater the chance of finding loving, stable homes for children in Surrey who desperately need them.

You can contact Surrey County Council Fostering Service on [0300 123 1620](tel:03001231620) (this is the General Fostering Duty telephone, please ask for the Supported Lodgings worker, when connected), via email at supportedlodgings@surreycc.gov.uk or by visiting the website; www.surreycc.gov.uk/fostering

You can watch 'Any of Us' via [Any of Us - YouTube](#) and connect with the Fostering Service on social media via [@surreyfostering](#)
