

# Year 5 Homework Web – Greece Lightning- Summer 2

## Weekly Homework

Each week, I will be set a Maths and Literacy task in my white CGP books; this will be linked to my learning from that week. I will bring this home each Thursday and bring it back on Tuesdays for my teacher to look at.

I will read for 5 minutes every night. This could be from my banded book that I will bring home from school or 5 minutes of a book, newspaper, comic book, recipe book or anything else I love to read at home! Please make a note of this in my Reading Record. If I read 5 times in a week, I will get 5 minutes extra breaktime.

What else could I do at home that links to my amazing learning in school? Here are some *optional* ideas for us to try. My teacher said I can bring them in if I would like to so they can have a look but there is no expectation for this.

## Places to Visit

- The British Museum

## Oracy Ideas

In school, I have been working hard to improve my Oracy skills. We have been learning how to instigate conversations by saying things like 'I would like to start by saying...' or 'I think...' and then giving a reason for our answers by adding 'because'.

Here are some ideas of discussions we could have at home to practise these skills:

- Would you rather carry a baby around in a built-in tummy pouch like a kangaroo OR have to balance a fragile egg on your feet in the freezing snow like an emperor penguin?
- Would you rather have to fight the terrifying, snake-haired Medusa OR try to outsmart the giant, one-eyed Cyclops?
- Would you rather compete in the very first Ancient Olympic Games barefoot OR be an audience member sitting on the stone stairs under the scorching sun for three days straight?
- Would you rather have Pegasus (the flying horse) as your pet but you can never land on the ground OR have a baby Minotaur as a pet but you have to keep it in a maze in your garden?
