

This half term, in Reception, we will be exploring Dinosaurs through our topic, 'We're not scared to walk with Dinosaurs'. These are just some of the things we will learn in order to develop our knowledge.

Key Vocabulary:

Volcano
Lava
Plants
Meat
Carnivore
Herbivore
Long ago
Extinct
Fossil

Fossils are the remains of a dinosaur or plant that has been preserved by nature.

Dinosaurs lived throughout the world, and their fossils have been found on every continent.

DINOSAURS

An archaeologist is a person who studies things that were left behind in the past.

Dinosaurs were the main animals on earth 65.5 millions years ago.

Dinosaur fossils have been discovered along the Jurassic Coast in Dorset.

Armoured Dinosaur Ceratopsians Euornithopods

Sauropods Large Theropods Small Theropods

Starting school makes me feel excited and nervous.

Getting changed involves following my simple steps.

Mark making leads to us writing letters. Our names are made up of some of these letters.

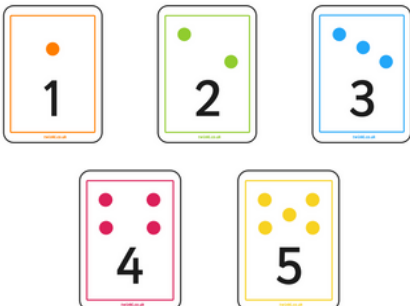

I always ask to go to the toilet and when I need help

I can recognise numbers 1-5.

Number 2 is made up of 2 ones.

Single sounds can be read together to read words.

To write my sounds I follow my rhymes.

Ss	Aa	Tt	Pp	l	Nn	Mm
Under the crab's chin, slide down and round to tail.	Around the astronaut's helmet and down into space.	From the tiger's nose to its tail, then follow the stripe across the tiger.	Down the penguin's back, up and around its head.	Down the iguana's body, then draw a dot (on the leaf) at the top.	Down the stick, up and over the rat.	Down, up and over the mouse's ears, then add a flick on the nose.
Dd	Gg	Oo	Cc	Kk	Ee	Uu
Round the duck's body, up to its head and down to its feet.	Round the goat's face, up to his ear, down and curl under his chin.	All around the octopus.	Curl around the cat.	Down the kite, up and round, down to the corner.	Around the elephant's eye and down its trunk.	Down and around the umbrella, stop at the top and down to the bottom and flick.
