

### Weekly Homework

Each week, I will be set a Maths and Literacy task. This will be linked to my learning from that week. I will bring this home each Thursday and bring it back on Tuesdays for my teacher to look at.

I will read for 5 minutes every night. This could be from my school books or 5 minutes of a book, newspaper, comic book, recipe book or anything else I love to read at home! Please make a note of this in my Reading Record. If I read 5 times in a week, I get a special sticker!

What else could I do at home that links to my amazing learning in school? Here are some *optional* ideas for us to try. My teacher said I can bring them in if I would like to so they can have a look but there is no expectation for this.

### Places to Visit

We could visit a local dinosaur-themed place to explore fossils, footprints and more!

We could go on a dinosaur discovery walk outside and imagine what it would be like if dinosaurs still roamed the land! We could visit a dinosaur museum, trail or fossil beach to learn more about what dinosaurs were like and where they lived.

We could search for things like:

- The biggest dinosaur model
- A dinosaur with spikes, horns or a long tail
- Fossils or footprints we can see or make ourselves
- A dinosaur that lived in the sea or could fly

## Year R Homework Web

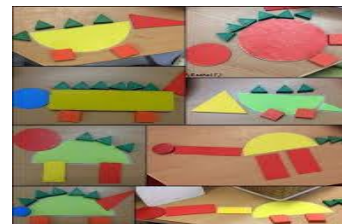

### Autumn 1 – We're Not Afraid to Walk With the Dinosaurs

#### Crafts

We could create our own dinosaur fossils using clay or dough.

We can create dinosaurs out of different shapes.

We could create our own dinosaur world by collecting natural materials.

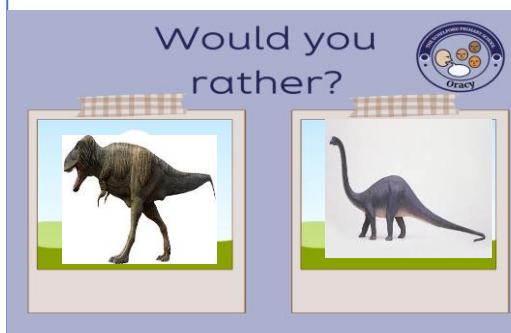

#### Oracy Ideas

In school, I have been working hard to improve my Oracy skills. We have been learning how to instigate conversations by saying things like 'I would like to start by saying...' or 'I think...' and then giving a reason for our answers by adding 'because'.

Here are some ideas of discussions we could have at home to practise these skills:

Would you rather have a T- Rex dinosaur or a diplodocus as a pet?

Would you rather meet a dinosaur or live in prehistoric times?

Would you rather in a herbivore and only eat plants, or a carnivore and only eat meat?
