

Weekly Homework

Each week, I will be set a Maths and Literacy task in my white CGP books; this will be linked to my learning from that week. I will bring this home each Thursday and bring it back on Tuesdays for my teacher to look at. I also need to do 10 minutes of Times tables Practise on the website/app TTRS. My log in is in my Reading Record.

I will read for 5 minutes every night. This could be from my banded book that I will bring home from school or 5 minutes of a book, newspaper, comic book, recipe book or anything else I love to read at home! Please make a note of this in my Reading Record. If I read 5 times in a week, I will get 5 minutes extra breaktime.

What else could I do at home that links to my amazing learning in school? Here are some *optional* ideas for us to try. My teacher said I can bring them in if I would like to so they can have a look but there is no expectation for this.

Places to visit:

A local allotment or 'pick your own' farm

This is a great location for children to see how food grows, choose fresh produce, learn about seasonal growing.

Farm Shop

This is a fantastic place for seeing where food comes from, buying local produce, tasting fresh food.

Farm

Visiting a working farm where children can meet animals, see farm operations, get fresh air, maybe learn about what animals eat

Year 3 Homework Web Come Dine with me

Autumn 1

Crafts

We could create:

Paper Plate Farm

Healthy Food Art

Fruit collage

Oracy Ideas

In school, I have been working hard to improve my Oracy skills. We have been learning how to instigate conversations by saying things like 'I would like to start by saying...' or 'I think...' and then giving a reason for our answers by adding 'because'.

Here are some ideas of discussions we could have at home to practise these skills:

- 👉 1. Would you rather...Pick your own carrots on a farm in the countryside 🌾
OR Buy fresh fruit from a market in the city? 🏪
- 🌳 2. Would you rather...Grow apples on a big apple tree in your backyard 🍏
OR Grow herbs and tomatoes in pots on your apartment balcony? 🌿 🍅
- 💬 3. Would you rather...Help cook a healthy meal with food from a farm 🐮
OR Make a smoothie using fruits from a city supermarket? 🥤
