Co-Headteachers' Message

At Echelford, we place great importance on offering our pupils a broad range of opportunities to develop their skills far beyond reading, writing, and maths. A key part of our ethos is encouraging leadership and responsibility, and we offer a variety of roles for children across all year groups to put themselves forward for.

We have already introduced our new Senior Prefect Team which is a key leadership responsibility for our Year 6 children and the team has already been busy fulfilling their duties. Building on that momentum, we are equally excited to share some of the other successful pupils taking on new roles this year.

As many of you know, we have three houses at Echelford: Air, Fire, and Water. When a child joins the school, their family becomes part of a house, ensuring siblings are always in the same team. This helps foster a strong sense of belonging and teamwork as children collaborate in various house competitions throughout the year. To select this year's house leaders, pupils from Years 1 to 6 watched recorded campaign speeches from our Year 6 nominees before casting their votes. We are delighted to announce this year's House Captains:

- **Air:** Henry
- **Water:** Mason
- **Fire:** Eeva

They are already hard at work planning a calendar of exciting house competitions, and we look forward to sharing details with you as the year progresses.

We are also pleased to introduce our newly elected School Council. With a representative from each class, the council gives our pupils a direct voice in sharing ideas and feedback with school leaders. Councillors meet regularly to discuss key aspects of school life, lead practical projects, and gather input from their classmates to ensure every pupil is heard. Congratulations to all the children who were chosen by their class peers to represent them this year. Councillors from Year 1 and Reception will be elected later this term.

Our Diversity Heroes have also been appointed. These representatives attend dedicated meetings to drive positive change across the school, focusing on diversity, equity, and inclusion. Their role includes entering competitions that celebrate equality, helping to plan our annual "Celebration of Us" week, and presenting in school assemblies. Congratulations to the pupils on their appointment as a Diversity Hero.

Finally, the application process for our Reading Ambassadors is now officially underway. This is a fantastic opportunity for pupils passionate about books to take on a leadership role, helping to promote reading across the school, supporting our library, and selecting new titles. All applications are in and Mrs Bayliss, our English leader now has the tough task of choosing the successful applicants. We look forward to announcing our new Reading Ambassadors very soon.

Inclusion Insights

Surrey SEND Area Inspection

We want to share with you that Ofsted and the Care Quality Commission (CQC) have begun a joint Area SEND Inspection across Surrey. This three-week inspection evaluates how effectively local education, health, and social care services collaborate to support children and young people with Special Educational Needs and Disabilities (SEND).

The inspection team is assessing the entire Local Area Partnership, which includes Surrey County Council, NHS services, local schools, and social care providers. Inspectors will look closely at how well needs are identified and met, and most importantly, the real lived experiences and outcomes of our children and young people.

Have Your Say: Parent & Carer Survey

A crucial part of this process is hearing directly from families. Ofsted and the CQC want to know about your personal experiences with SEND provision in Surrey—what is working well and where improvements are needed.

- **How to participate:** You can complete a short, confidential, and anonymous online [survey provided by Ofsted](#).
- **Deadline:** The survey closes strictly at **9:00 AM on Wednesday, 30th September**.
- **Alternative formats:** If you cannot access the survey online, hard copies are available via Family Voice Surrey, Surrey's independent parent carer forum (01372 705 708 / contact@familyvoicesurrey.org).

Check carefully what area of support each question refers to. The questions around Education refer to the support your child gets at school. If you have had interactions with Surrey County Council about SEND support for your child and would like to share this with Ofsted, there are free text questions about support in your child's education.

Why This Matters

The final report will highlight strengths and outline required improvements, directly shaping future priorities and funding for services that support pupils across Surrey.

We strongly encourage all our families with children receiving SEND support to complete the survey.

Online Safety

The NSPCC has published figures showing which platforms children name when they make contact with Childline to report abuse. Snapchat had the most mentions, followed by TikTok, Instagram, and WhatsApp. This is not a surprise to schools as in school we often find ourselves managing unkindness, upset, and sometimes even bullying that has taken place on one or other of these apps between our children outside of school.

This information from NSPCC is difficult to ignore, and we are all committed to protecting our children from harm. It's therefore a timely reminder to all parents whose children have smart phones and use these apps, to take extra care and keep an extra close eye on what your children are accessing online.

Special Meal – 1st October

If you would like your child to take part in this special meal please ensure you order their meal via Schoolgrid in the usual way. If you have not yet set up a Schoolgrid account then please inform the office and we will send you another link.

Harvest Festival

On Friday 9th of October, we will be celebrating the Harvest Festival. As in previous years, we have asked for donations for our local food bank (Salvation Army & Manna). Please see the poster below for all perishable items that are accepted.

Wanted Boy's Socks

If you have any boy's socks at home that you no longer need can you please bring them into the office as we do not have many spare pairs. Many thanks in advance.

Reminder Parent Teacher Consultations

Consultations will be on Tuesday 13th October & Wednesday 14th October. These will be available to book via Scopay from 6pm on Monday 5th October.
