Year 1 Homework Web Toys Through Time Autumn 2

Weekly Homework

Each week, I will be set a Maths and Literacy task in my white CGP books; this will be linked to my learning from that week. I will bring this home each Thursday and bring it back on Tuesdays for my teacher to look at.

I will read for 5 minutes every night. This could be from my three books that I will bring home from school each week or 5 minutes of a book, newspaper, comic book, recipe book or anything else I love to read at home! Please make a note of this in my Reading Record. If I read 5 times in a week, I get a special sticker!

What else could I do at home that links to my amazing learning in school? Here are some *optional* ideas for us to try. My teacher said I can bring them in if I would like to so they can have a look but there is no expectation for this.

Crafts

Can you create your own sail boat, using a sponge, a straw and some card for the sail?

Could you create a puppet using a wooden spoon? It could be a character from one of our books!

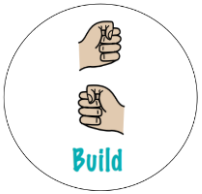

You could create a spinning top, using a pencil, piece of blu-tac and some paper.

Oracy Ideas

In school, I have been continuing to work hard to improve my Oracy skills. We have been learning how to build upon the ideas of others by saying things like "That's a great idea. To build on that…" or "building upon ____'s idea…"

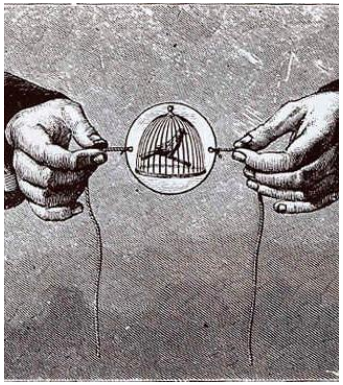

Which is the odd one out? Why?
Is there more than one right answer to this question?

Places to Visit

Guildford Museum (Quarry Street, GU1 3SX) has a wonderful exhibition called 'Playtime', showcasing vintage toys and games and offering hands-on play opportunities.

Shere Museum (Gomshall Lane, GU5 9HE) focuses on local village life from Victorian times to the 1950s, including toys and games. The museum is open Saturdays & Sundays 2pm-5pm.
