Year 3 Homework Web Back to the Stone Age Autumn 2

Weekly Homework

Each week, I will be set a Maths and Literacy task in my white CGP books; this will be linked to my learning from that week. I will bring this home each Thursday and bring it back on Tuesdays for my teacher to look at. I also need to do 10 minutes of Times tables Practise on the website/app TTRS. My log in is in my Reading Record.

I will read for 5 minutes every night. This could be from my banded book that I will bring home from school or 5 minutes of a book, newspaper, comic book, recipe book or anything else I love to read at home! Please make a note of this in my Reading Record. If I read 5 times in a week, I will get 5 minutes extra breaktime.

What else could I do at home that links to my amazing learning in school? Here are some *optional* ideas for us to try. My teacher said I can bring them in if I would like to so they can have a look but there is no expectation for this.

Places to visit:

Spelthorne Museum

Take a trip to the museum; allow children to explore the prehistoric section, see real tools, flints, and displays.

Local Walk

Take a walk around Local archaeological sites around Ashford - St. Michael's Road site, Ashford archaeological investigations at St Michael's Road, Ashford uncovered **Mesolithic, Neolithic and Bronze Age flintwork** in the area. Ashford Prison site (Woodthorpe Rd) Excavations at this site revealed an **early Neolithic ring ditch** and flint tool deposits.

Crafts

We could create:

Oracy Ideas

In school, I have been working hard to improve my Oracy skills. We have been learning how to instigate conversations by saying things like 'I would like to start by saying…' or 'I think…' and then giving a reason for our answers by adding 'because'.

Compare Then and Now

•**Activity:** Discuss differences between Stone Age life and today.

•**Prompts:**

- "What tools do we use now that they didn't have?"
- "What would be hard to do without electricity?"
- "Would you like to live in the Stone Age? Why or why not?"
