SURREY SHORT BREAKS
FOR DISABLED CHILDREN

Contact us - call 01483 521743

Email: SEResourcecentres@nas.org.uk

Activities in the club sessions are designed to allow children to improve and practice social communication skills and develop friendships.

You can meet others and make new friends.

"This club has been a lifeline to my son and you have supported him through some really difficult times in his life, providing fun, advice and a listening ear with such understanding of his needs." *parent feedback*
